

INTERIOR'S

THE ULTIMATE SCOPE SHEET

A comprehensive site survey and scope documentation sheet designed to capture all project requirements before starting 2D drawings, 3D visualization, BOQ, and execution. This sheet helps designers, architects, and site engineers record existing site conditions, dimensions, finishes, materials, electrical points, plumbing layouts, ceiling details, furniture requirements, and client preferences in a structured format.

SECTION – 1

Project Information

basic info

- project address –
- client name –
- property type – apartment, villa, farmhouse
- unit type – 2bhk, 3bhk, 4bhk, 5bhk.
- total carpet area –

ceiling & height information

- general ceiling height
- floor to floor height
- foyer ceiling height
- living ceiling height
- dining ceiling height
- bedroom 1 ceiling height
- bedroom 2 ceiling height
- bedroom 3 ceiling height
- bedroom 4 ceiling height
- bedroom 5 ceiling height
- store room ceiling height
- help room ceiling height

window information

- window count
- sill level
- lintel level
- window type – sliding , openable , fixed.

SECTION – 2

Global Project Scope

services required

- full home renovation
- interior fit-out
- civil + interior turnkey
- online design only
- material selection support
- project management
- furniture + styling
- vastu consultation

SECTION – 3

Project Deliverables

- | | |
|---------------------|-----------------------|
| • 2d layouts | • vendor coordination |
| • furniture layout | • procurement support |
| • electrical layout | • final styling |
| • plumbing layout | • photoshoot |
| • ceiling layout | |
| • tile layout | |
| • working drawings | |
| • 3d renders | |
| • material boards | |
| • BOQ | |
| • site visits | |

SECTION – 4

Living / Drawing Room

basic info

- length –
- width –
- ceiling height –
- window count –
- sill height –
- lintel height –

balcony railing

- brick / glass / aluminium + glass / ss / ms / other
- size _____r.ft / sq.ft

balcony door

- sliding
- hinged single
- hinged double
- fixed
- size – width _____height_____

civil & false ceiling

- demoliyion of flooring
- demolition of walls
- new partitions / wall shifting
- floor leveling / screeding
- new flooring installation
- skirting installation

- beam / column covering
- window enlargement / reduction
- door shifting / door enlargement / add extra door

false ceiling type

- pop
- wooden
- stretch
- grid

coves

- outside only
- inside only
- inside + outside

ceiling design

- grooves
- mouldings
- beam hiding

floor covering

- gloss tile / matt tile
- marble
- granite

soft furnishings

- curtains (sheer / blackout / both)
- blinds
- rug
- upholstery requirements

SECTION – 5

Dining Area

basic info

- length –
- width –
- ceiling height –
- window count –
- sill height –
- lintel height –

balcony railing

- brick / glass / aluminium + glass / ss / ms / other
- size _____r.ft / sq.ft

balcony door

- sliding
- hinged single
- hinged double
- fixed
- size – width _____height_____

civil & false ceiling

- demoliyion of flooring
- demolition of walls
- new partitions / wall shifting
- floor leveling / screeding
- new flooring installation
- skirting installation

SECTION – 6

Kitchen

basic info

- length –
- width –
- ceiling height –
- window count –
- sill height –
- lintel height –

balcony railing

- brick / glass / aluminium + glass / ss / ms / other
- size _____r.ft / sq.ft

balcony door

- sliding
- hinged single
- hinged double
- fixed
- size – width _____height_____

civil & false ceiling

- demoliyion of flooring
- demolition of walls
- new partitions / wall shifting
- floor leveling / screeding
- new flooring installation
- skirting installation

- beam / column covering
- window enlargement / reduction
- door shifting / door enlargement / add extra door

false ceiling type

- pop
- wooden
- stretch
- grid

coves

- outside only
- inside only
- inside + outside

ceiling design

- grooves
- mouldings
- beam hiding

floor covering

- gloss tile / matt tile
- marble
- granite

construction type

- on-site carpenter
- caecass on-site + factory made shutters
- full modular factory made kitchen

carpentry

carcass material

- hdhmr
- bwp below sink only
- bwp entire kitchen
- plywood (bwr / bwp)

shutter finish

- laminate
- acrylic
- pu
- ceneer
- glass

hardware level

- basic (local)
- mid (hettich india / ozone / inox)
- premium (hafele / hettich germany)
- ultra premium (blum)

counter

- granite
- quartz
- marble
- backsplash material_____

SECTION – 7

Bedroom's & Washroom's

basic info

- length –
- width –
- ceiling height –
- window count –
- sill height –
- lintel height –

balcony railing

- brick / glass / aluminium + glass / ss / ms / other
- size _____r.ft / sq.ft

balcony door

- sliding
- hinged single
- hinged double
- fixed
- size – width _____height_____

civil & false ceiling

- demoliyion of flooring
- demolition of walls
- new partitions / wall shifting
- floor leveling / screeding
- new flooring installation
- skirting installation

- beam / column covering

- hanging rod
- hanging pullout
- shelves
- drawers
- shoe rack
- trouser pullout
- tie rack
- jewellery tray
- mirror inside
- sensor light

carpentry shutter finsh

- laminate
- veneer
- pu
- acrylic
- glass

hardware levels

- basic
- mid
- premium
- ultra premium

other carpentry

- bed – king / queen
- headboard
- side table
- study table
- dressing table
- tv panel
- bookshelf

electrical light categories

- cob
- downlight
- panel light
- profile light
- cove light

aircondition types

- split
- cassette
- ductable

washroom

1.basic

- length____| width____| ceiling height_____
- window sill lvl_____| lintel lvl_____

2.civil

- waterproofing
- replace fittings only
- full demolition
- drain pipe change
- supply pipe change

3.wall coverings

- tile
- marble
- granite
- feature tile

4.floor coverings

- anti -skid tile
- marble
- granite

5.basin type

- over -counter
- under -counter
- table -top
- intergrated
- wall - mounted

6.shower type

- wall – mounted
- ceiling – mounted
- shower panel
- body jets

7.electrical

- mirror light
- ceiling light
- exhaust fan
- geyser

NOTE :
